

River Basin and Watercourse Protection in England

Association of Rivers Trusts, Practical User Guide:

“Making the Most Out of Cross Compliance and Environmental Stewardship”

July 2005

Prepared by Alex Inman, Tamar Consulting (Westcountry Rivers Trust) for the
Association of Rivers Trusts
as part of
Union des Terres de Rivières
EU Interreg III C

Table Of Contents

1.0	Introduction	1
2.0	Cross Compliance	2
2.1	Introduction to Cross Compliance	2
2.2	Cross Compliance and Water Resource Protection	2
2.2.1	GAEC1 – Soil Management Plan	2
2.2.2	GAEC2 – Post harvest management of land after combinable crops	3
2.2.3	GAEC3 – Management of waterlogged soil	3
2.2.4	GAEC5 – Environmental Impact Assessment	3
2.2.5	GAEC9 – Avoidance of overgrazing/unsuitable supplementary feeding	4
2.2.6	GAEC11 – Control of weeds	4
2.2.7	GAEC14 – Protection of hedgerows and watercourses	5
2.2.8	Compliance with Statutory Management Requirements (SMRs)	5
3.0	Environmental Stewardship	6
3.1	Entry Level Scheme	6
3.1.1	Background to the scheme	6
3.1.2	Water Resources protection opportunities with ELS	7
	3.1.2.1 Ditch management options	7
	3.1.2.2 Buffer strip and field margin options	8
	3.1.2.3 Soil stability options	8
	3.1.2.4 Options for changing cropping regimes/timing of operations	9
	3.1.2.5 Options to reduce nutrient inputs	9
	3.1.2.6 Management Plan options	9
	3.1.2.7 ELS soil erosion risk analysis	10
3.1.3	Protecting Water Resources; making the most of ELS	10
3.2	Higher Level Scheme	12
3.2.1	Background to the scheme	12
3.2.2	Water Resources protection opportunities within HLS	13
	3.2.2.1 Woodland creation and management options	14
	3.2.2.2 Options to create and manage uncultivated land	14
	3.2.2.3 Water level management	14
	3.2.2.4 Land management options to reduce inputs and protect soils	15
	3.2.2.5 Specific resource protection options to combat diffuse pollution	15
3.2.3	Protecting Water Resources; making the most of HLS	15
	3.2.3.1 Encouraging group schemes involving multiple landholdings	16
Appendix 1	Complete list of Cross Compliance Components	
Appendix 2	Complete list of Entry Level Scheme Components	
Appendix 3	Complete list of Higher Level Scheme Components
